

In case of heavy snow, ice or other school emergencies, school officials may deem it necessary to use the following options:

- A. School Closed
- B. Running only emergency bus routes
- C. Buses run where possible
- D. Late start
- E. Early dismissal

### **School Closings**

Parents, guardians, and employees will be notified of any school closing and/or early dismissals through the One Call Now phone notification system. WICS Channel 20 news will also be contacted.

### **Other Information**

1. Please plan with your children **NOW** what they are to do on early dismissal days if they are to do something out of the ordinary. Our school phone does not lend itself to this kind of emergency use for all the district's students.
2. If emergency routes are used in the morning, the buses will depart from school at approximately 6:30 am..
3. If you live a distance from the bus, please meet your child in bad weather, or your child will be returned to school for pick-up.
4. Students are not to arrive at school before 7:45 am. Please see that students are dressed warm for the inclement weather.
5. As a general rule, if school is dismissed early, all late afternoon and evening school events are cancelled.
