

## **VIRGINIA COMMUNITY UNIT SCHOOL DISTRICT #64 DISASTER DRILL**

You will be given the signal to take your storm position by the intercom. If all power goes off, this will also be used as a signal to take your storm positions. Stay in this position until the all clear is sounded. This is true only on days when storms are threatening.

Each teacher should discuss the drills with his or her classes stressing the following points:

1. **KEEP CALM -----Everyone**
2. Keep quiet to hear directions.
3. Move quickly and cautiously.
4. Pupils should bring a book if possible. They should kneel facing the wall, and cover their neck with either the book or their hands.
